

The football season is now behind us giving all at the Club a break from what proved to be a hectic (and tiring) final few weeks. Time to sit back and watch the World Cup!

At the end of the season, the Club held presentation events to reward the teams and players for another fantastic year of football. The events were held at Chiseldon House Hotel (who were accommodating and generous hosts) with the trophies kindly sponsored by local companies Nanogreen Cleaning and Gel Studios.

The awards were well deserved for all winners, but a special mention is needed for the recipient of the 'Chairman's Trophy' which is awarded to anyone associated with the Club that has made a significant contribution over the year. This year's winner, Terry Parsons, only joined the Club last year but has spent many, many hours at the Recreation Ground tidying, painting, building and fixing to bring the facilities up to scratch. His efforts have made a massive difference –well done Terry.

Looking ahead to the next season starting in September, the Club is unfortunately losing two junior teams due to a lack of numbers. This isn't uncommon for Clubs in rural areas, especially with a number of bigger Clubs within a few miles, but the players and parents will be missed. However, the Club has had a brilliant response to the new U6 and U8 development squads so the future looks bright. If you know of any players in school years 1, 2 or 3 that wish to become involved please get in touch via [Clarke.matthew1@sky.com](mailto:Clarke.matthew1@sky.com) or find us on Facebook under 'Chiseldon FC'.

Regards,

Matt Clarke.
