4. Club Facilities

The club utilises the Chiseldon Recreation ground for training and home games. The recreation ground has a senior pitch; a junior pitch (9v9) and a mini soccer pitch (7v7). It is the responsibility of the committee to ensure these pitches are safe and available for use.

All club members are, where necessary, expected to help with the upkeep of the clubs facilities. This includes:

- Ensuring all club equipment (balls, flags, nets) is looked after and secure during/after use.
- Changing rooms are left clean and clear of rubbish.
- Reporting any damages, accidental or otherwise, to a member of the team/club management.

Any problems or issues with the clubs facilities need to be brought to the attention of the committee as soon as possible. If the committee are not aware of problems they cannot resolve them.

5. Club Fees

Chiseldon FC has an annual signing-on fee of £20 which all players are required to pay at the start of each season. This fee enables the Club to pay all relevant costs related to the running of the Club for the season. Example costs of the Club include insurance, FA registration, League affiliation, cup entry and player registration.

To enable the ongoing running of the club, all members of Chiseldon FC are required to pay match and training fees. These fees are used by the club to pay for administration, facilities (pitch rental/maintenance), equipment and end of season presentations.

All monies are to be paid directly into the Clubs bank account. The treasurer is responsible for ensuring all monies are recorded.

Annual/season accounts will be made available by the committee for review.

Unless an alternative agreement is in place, any players owing the club more than £20 in match/training fees will be suspended from playing until all/part of the debt has been cleared. The decision to suspend a player is the responsibility of the team treasurer.

6. Club Insurance

The Club is covered by a comprehensive insurance policy to protect all of its members. The policy, provided by 'BlueFin, is fully approved by the F.A.

Covered under the clubs insurance are the following areas:

- Public Liability
- Personal Accident
- Club Travel (including personal accident)
- Physiocare

A detailed breakdown of the cover provided under the clubs insurance is available upon request.

7. Conduct / Behaviour

The club asks all players to ensure that they represent both themselves and Chiseldon FC in a responsible and professional manner.

The club has a large number of young players. As such all club management, parents and senior players have a duty to behave in an appropriate manor and lead by example. This applies both on and off the pitch.

Failure to behave in the manner expected by the club may result in disciplinary actions.

8. Disciplinary

It is important that all club members understand and obey the clubs disciplinary process. The club has introduced the following disciplinary procedure to protect itself and its members.

Minor cases of indiscipline, such as yellow/red cards, will be dealt with by the relevant team's management.

Any serious disciplinary incidents that occur, including violence, will be forwarded to the club committee for consideration.

- **League Fines**
Where a player receives a fine (i.e yellow/red cards) it is the club that will receive the charge. **It is the player's responsibility to pay that fine.** This is done by paying the full amount to the relevant team's treasurer within two weeks of the fine being received. Any player failing to pay a fine will be suspended from the club until the debt is cleared.
- **League Suspension**
If the league issues a suspension to a player it must be adhered to for its full duration. Any players that do not complete a suspension risk both themselves and the club receiving further punishment from the F.A. Any such punishments for the club will not be tolerated.
- **Further Action**
In extreme circumstances, such as incidents of violent conduct, the committee may take further disciplinary action against those involved. This may include fines, a period of suspension or dismissal from the club. The club committee will treat all disciplinary cases individually and on its merits.

9. Club Website

The club has developed a website for use by all management, parents and members of Chiseldon FC. The website is used to advertise the club and provide a central point of contact for all its members.
